Power BI Foundations

Course ID: 623deb9651d158ef56de560a

Description: Power BI is a luxury tool in the hands of businesses overwhelmed by the amount of data they have on hand, and we don't have any other cost-effective way to pull insights than it until now. As a result, power BI swiftly establishes itself as the world's most powerful self-service business intelligence platform and an indispensable tool for both data pros and beginners.
